### A Fly Walked Into A Grocery Store

A fly walked into a grocery store,  
 Alone Tee-hee! All alone.  
 He had never been in a store before,  
 Alone Tee-hee! All alone.

He walked on the bread,  
                   put his feet on the jam,  
 And stick out his tongue at the grocery man.  
 And then he walked out of the store again,  
 Alone Tee-hee! All alone.

Way up in the sky, the little birds fly,  
Way down in then nest the little birds rest,  
With a wing on the left, and a wing on the right,  
The little birds sleep all through the night.  
The bright sun comes up, and the dew

falls away  
Good morning, good morning, the little  
birds say.

Black socks they never get dirty  
The longer you wear them the blacker they get

'Don't wash them yet!'

'Whoops' said the flea there's a horse on me

\*  
Way down south where bananas grow,  
A little ant stepped on an elephant's toe.

I'm a bow legged chicken  
I'm a knock kneed hen

Haven't been so happy since I don't know when  
I walk with a wiggle and a giggle and a squawk  
Doing the Tennessee wiggle walk.  
Put your heels together and your knees apart  
Snap your fingers ready and start  
Flap your elbows just for luck  
As you wiggle and waddle like a baby duck  
Come dance with me baby tap your time  
Haven't been so happy in a long, long while  
I walk with a wiggle and a giggle and a squawk  
Doing the Tennessee wiggle walk.  
Doing the Tennessee wiggle walk.

## **Brass Rings**

I like to catch brass rings on the  
merry-go-round  
The merry-go-round that's me  
Some like to play croquet or embroider  
or crochet  
But I like to participate in my own way  
Some like to hobby horse on the  
merry-go-round  
The one that goes up and down  
And my sweetie in the rear says I ride  
like Paul Revere  
On the merry the merry-go-round  
This is the last time  
The merry the merry-go-round  
I fooled ya that time  
The merry the merry-go-round.

## **Brownie Smile**

I've got something in my pocket  
It belongs across my face  
I keep it very close at hand  
In a most convenient place  
I'm sure you couldn't guess it  
If you guessed a long, long while  
So I'll take it out and put it on  
It's a great big brownie (Girl Scout) smile.

## **Bug Juice**

(Tune: On Top Of Old Smokey)

At camp with the boy scouts  
They gave us a drink  
We thought it was kool-aid  
Because it was pink

But the thing that they gave us  
Would gross out a moose  
For that great tasting pink drink  
Was really bug juice.

It looked fresh and fruity  
Like great tasting kool-aid  
But the bugs that were in it  
Were murdered with raid.

We drank it by gallons  
We drank it by tons  
And then the next morning  
We all had the runs

So next time you drink bug juice  
And a fly drives you mad  
He's just getting even  
Because you swallowed his dad.

### **Cabin In The Woods**

In a cabin in the woods,  
Little old man by the window stood,  
Saw a rabbit hoppin' by, knocking at his door.  
Help me! Help me! Help me! He said. For the  
hunter shoots me dead.  
Come along and live with me,  
oh how happy we will be!  
(Replace each phrase with hand  
signal until no words are left..  
..increase speed as you sing)

### **Campers**

Comet, will make you vomit.  
So, buy some Comet and vomit, today!

### **Commercial Mix Up**

(Tune: Farmer in the Dell)

Last night I watched TV  
I saw my favorite show  
I heard this strange commercial  
I can't believe it's so

Feed your dog Chiffon  
Comet cures a cold  
Use SOS pads on your face  
To keep from looking old

Mop your floor with Crest  
Use Crisco on your tile  
Clean your teeth with Borateem  
It leaves a shining smile

For headaches take some Certs  
Use Tide to clean your face  
And do shampoo with Elmer's Glue  
It holds your hair in place

Perhaps I am confused  
I might not have it right  
But one thing that I'm certain of  
I'll watch TV tonight!

### **Counselors**

Out of my tent flaps, looking in the night  
I can see the counselors having a fight  
Silently floats a pillow through the air  
And the feathers do fly everywhere

\*(Chorus:)  
Counselors, I would like to fight with you  
I would like to turn you black and blue  
Counselors, have you treasures in your hold?  
Do you fight with campers brave and bold

Out of my tent flaps, looking in the night  
I can see the counselors, what a sight!  
Cold cream on their faces, curlers in their hair  
They could scare a big brown grizzly bear!  
\*

An orangutan, a foxy snake,  
And an eagle fly,  
A rabbit, a beaver,  
A crazy elephant.  
Na.. (x10)

## **Crocodile Song**

She sailed away  
On a bright and sunny day  
On the back of a crocodile.  
You see, said she,  
"He's as tame as can be."  
A-gliding down the Nile.  
The croc winked his eye  
As she waved a fond good-bye,  
Wearing a happy smile.  
At the end of the ride.  
The lady was inside,  
And the smile was on the crocodile.

## **Daisy On My Toe**

I gotta daisy on my toe  
It ain't alive  
It doesn't grow  
It's just a tattoo of a flower  
So I look pretty in the shower  
It's on the second toe of my left foot  
It ain't alive, ain't got no root  
*[spoken]* 'Cause that wouldn't look good!  
There's a daisy on my toe  
My right foot loves my left foot so!

## **Desperado**

There was a desperado  
from the wild and wooly west  
He rode into Chicago  
just to give the west a rest  
He wore a big sombrero  
and 2 guns across his chest  
And everywhere he went  
he gave his war woop!

\*(Chorus:)

He was a big bold man he was a desperado  
From Cripple Creek, way down in - Colorado  
And he horsed around like a big tornado  
And everywhere he went he gave  
his war woop!

He went to Coney Island  
just to check out all the sights  
He saw the hootchie cootchies  
and girls in purple tights  
He got so darn excited  
that he shot out all the lights  
And everywhere he went  
he gave his war woop!

\*

One day this desperado  
was a walkin down the street  
He came upon a policeman  
who was walkin on his beat  
He grabbed him by the collar  
and he grabbed him by the seat  
And threw him where he couldn't  
give his war woop!

\*

## **Do Your Ears Hang Low?**

Do your ears hang low?  
Do they wobble to and fro?  
Can you tie them in a knot?  
Can you tie them in a bow?  
Can you throw them over your shoulders?  
Like a continental soldier?  
Do your ears hang low?

## **Donut Song**

Well I ran around the corner  
And I ran around the block  
And I ran right into  
A donut shop  
And I picked up a donut  
And I wiped off the grease  
And I handed the lady  
A five cent piece  
Well she looked at the nickel  
And she looked at me  
And she said this money  
Is no good to me  
There's a hole in the middle  
And it goes right through,  
Well lady there's a hole  
In your donut too!

Thanks for the donut, You bet!

Fell into the well fell into the well  
Fell into the deep dark well.

Suzie Jones was milking in the barn  
Saw him fall  
And ran inside to tell her mom that  
\*  
Suzie's mom was making cracklin' bread  
Ran outside  
To tell old Joe that Suzie said that  
\*  
Well old Joe, he sat aside his plow  
Grabbed his cane  
And hobbled into town to say that  
\*  
To the well, everybody came  
What a shame  
It took so long to say his name that  
Eddie coucha catcha cama tosa nara

I go Ogle-ogle-ogle to Georgie.

Two, by four, nail it to the floor, Ouch! (x2)

Check my watch, check my tan, forget about  
that dying man (x2)

...a plumber I would be.  
Plunge it, flush it, look out below! (x2)

...a hippie I would be.  
Love and peace, my hear is full of grease! (x2)

Starchy here, starchy there, starchy in your  
underwear! (x2)

...a house cleaner I'd be.

### **Good Morning**

G-O-O-D M-O-R-N-I-N-G  
Good morning, hey, hey,  
Good morning

### **Grandfathers Clock**

My grandfather's clock  
Was too tall for the shelf  
So it stood 90 years on the floor  
It was taller by far  
Than the old man himself  
But it weighed not a penny weight more

It was bought on the morn  
Of the day that he was born  
And was always his treasure and pride

But it stopped short never to go again  
When the old man died

90 years without slumbering  
Tick tock tick tock  
Life seconds numbering  
Tick tock tick tock  
But it stopped short never to go again  
When the old man died

In watching its pendulum  
Swing to and fro,  
Many hours had he spend while a boy,  
And in childhood and manhood  
The clock seemed to know,  
And to share both his grief and his joy.  
For it struck twenty-four  
When he entered at the door,  
With a blooming and beautiful bride.

My grandfather said  
That of those he could hire,  
Not a servant so faithful he found;  
For it wasted no time  
And had but one desire;  
At the close of each week to be wound.  
And it kept in its place  
Not a frown upon its face;  
And its hands never hung by its side.

### **Gray Squirrel**

Gray squirrel, gray squirrel,  
Swish your bushy tail  
Gray squirrel, gray squirrel,  
Swish your bushy tail  
Wrinkle up your funny nose,  
Put a nut between your toes  
Gray squirrel, gray squirrel,  
Swish your bushy tail

### **Green Alligators**

A long time ago when the earth was green  
There were more kinds of animals than  
you've ever seen  
Running around free while the earth  
was being born  
And the loveliest of all was the unicorn

\*(Chorus:)

We've got those green alligators and  
long neck geese  
Some humpty back camels and  
some chimpanzees  
Some cats and rats and elephants  
as sure as you're born  
The loveliest of all was the unicorn.

Well the Lord saw some sinnin and it  
caused him pain  
He said stand back I'm gonna make it rain  
He said hey brother Noah tell ya what to do  
Build me a floating zoo.  
(And take some of those)

\*  
Well Noah was there to answer the calling  
He finished up the arc just as the rain  
started falling

He marched in the animals two by two  
And he called out as they went through  
(Hey Lord)

\*  
Well Noah looked out through the driving rain  
Those unicorns were laughing playing  
silly games

Kicking and a splashing while the rain  
was falling

Oh silly unicorns  
(But we've got those)

\*  
Well the arc started floating and drifting  
with the tide

The unicorns looked up from their rocks  
and they cried

The water slowly came and slowly  
floated them away

And that's why to this very day you'll  
never see a unicorn

(But we've got those)  
\*

### **Green n' Yeller**

Green n' yeller, green n' yeller  
\*(Chorus:)

Oh mother come quick  
Cause I feel really sick  
And I wanna lay down and die

Where were you at last night Henry my son  
Where were you at last night my pretty one  
In the woods dear mother  
In the woods dear mother

\*  
What were you doing there Henry my son

What were you doing there my pretty one  
Eating dear mother  
Eating deer mother

\*

What were you eating there Henry my son  
What were you eating there my pretty one  
Eels dear mother  
Eels dear mother

\*

What color were those eels Henry my son  
What color were those eels my pretty one  
Green n' yellor  
Green n' yellor

\*

I'm afraid those eels were snakes Henry my son  
I'm afraid those eels were snakes my pretty one  
Eww dear mother  
Eww dear mother

\*

(Optional ending, funeral march tune:  
Pray for the dead and the dead will pray for you  
That's what they say but it's not exactly true)

Well they chopped down the old pine tree,

Dog - Oh where, oh where has my little  
dog gone? He's...

Sweetheart - Let me call you sweetheart,  
I'm in love with you. Let me whisper  
softly...

Skunk - Well, I poked my head in a little

skunk's hole and the little skunk said  
to me...

Late one night when we were all in bed,

Way up in the land of ice and snow,  
Where the temperature drops to 40 below,  
Who's the happiest one up there?  
Percy, the pale face polar bear.

Sleeps all day and then at night,  
Catches fish by the pail moonlight  
Has no worries, has no cares  
Percy, the pale face polar bear

Then one day a hunter came  
Took poor Percy by the snout  
Put him in a great big cage  
Percy howled and he growled, but he couldn't  
get out

Now he's living in a zoo  
Funny thing is he likes it too  
Cause he met his girlfriend there  
And she loves, Percy the pale faced polar bear  
Who?  
Percy the pale face polar bear!

Since way last May

The more we sing together,  
Together, together,

### The Nonsense Song

One night one morn when I was born  
And the whistle went toot toot (toot toot!)  
You can buy a cake or fry a snake  
When the mud pies are in bloom.  
Does 6 and 6 make 9?  
Does ice grow on a vine?

Is old man Joe an Eskimo  
In the good old summertime?  
Loop de loop in the noodle soup.  
Just to give those socks a shine.  
I'm guilty judge, I ate the fudge.  
Three cheers for all mankind.  
I cannot tell a lie, I hogged an apple pie.  
It's on a tree beneath the sea  
Above the bright blue sky.  
They call me King Napoleon  
But I'm not him at all (no sir!)  
I come from South Dakota  
Way down in old St. Paul  
I'll sue them all for slander  
I'll make them all repent  
For how can I be Bonaparte  
When I'm the president?  
Easter eggs don't wash their legs  
Their children will be ducks (quack quack)  
I'd rather buy a lemon pie  
For 47 bucks  
Way down in Barcelona  
They jumped into the phonea  
But that is all baloneya  
Pataroosky blow your horn (toot toot!)

because  
(Repeats forever)

But when she got there the cupboard was bare  
so she threw him out the window

One...

Three little devils all dressed in red  
Tried to get to heaven on the end of a thread  
And well the thread broke and down they all fell

Why did you jump into the road?

Oh Tom the Toad, Oh Tom the Toad

Make motions for each one.)

He sat on her tombstone and laughed till he  
cried, laughed till he cried, laughed till he cried  
He sat on her tombstone and laughed till he  
cried, laughed till he cried  
Um plucky, plucky, um plucky, plucky, um pluck,  
pluck, pluck

The tombstone fell over and squish-squash he  
died, squish-squash he died, squish-squash he  
died  
The tombstone fell over and squish-squash he  
died  
Squish-squash he died  
Um plucky, plucky, um plucky, plucky, um pluck,

She flew up above him and flittered and flied  
Flittered and flied  
Um plucky, plucky, um plucky, plucky, um pluck,
